Tutoring Experience

For the past eight years, I have helped students achieve success in English literature and language, with a focus on IB English and A-Level English. My tutoring has spanned various academic levels, from preparing students for exams to enhancing their essay writing and literary analysis skills. I've worked with students from diverse backgrounds, offering personalised support for their unique goals.

In addition to teaching IB and A-Level English, I have also guided students in IGCSE and AP English, helping them navigate through complex texts and essay structures. My one-on-one sessions are designed to foster a deeper understanding of the subject, ensuring students gain the skills needed to excel academically.
