### 🎓 Experienced Tutor | University of Bologna | MSc in Chemistry

Holding an MSc in Chemistry from the University of Bologna and a BSc in Chemical Engineering from the University of Milan, I bring 15 years of teaching experience in IB, A-Level, and IGCSE Chemistry, helping students succeed through personalised guidance and simple explanations.

Teaches:

IB Chemistry

A-Level Chemistry

IGCSE Chemistry

GCSE Chemistry

AP Chemistry

Curriculum:

IB

A-Level

GCSE

IGCSE

AP

## Qualifications

**University of Bologna:** MSc in Chemistry (2010–2012)

**University of Milan:** BSc in Chemical Engineering (2006–2010)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With 15 years of experience, I've mentored students through various Chemistry curriculums, including IB, A-Level, and IGCSE. My focus has been on helping students achieve their highest potential by building a solid foundation in Chemistry concepts. My students have gone on to attend top universities, both in Italy and abroad.

In addition to school-level tutoring, I've worked with university students, providing guidance on complex topics like physical chemistry and thermodynamics. Many of my students have achieved top scores and have been accepted into renowned medical and engineering programs.

Throughout my tutoring career, I've always been available to support my students beyond lesson times, answering questions and helping with exam preparation. My commitment to my students' success has resulted in a long track record of positive outcomes and satisfied learners.
