## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 9 years, I have tutored students from all over the world, guiding them through IB and A-Level Chemistry. My students consistently achieve top grades, often going on to study at prestigious universities. I have extensive experience with the IB curriculum and have supported students in achieving levels 6 and 7 in their exams.

In addition to working with IB students, I've provided tutoring for A-Level and IGCSE Chemistry. My approach to tutoring emphasizes understanding key concepts and applying them to real-world situations, ensuring students are well-prepared for their exams.
