**Uppsala University:** MSc in Molecular Biology (2004-2008)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

For the past 14 years, I've worked with students across various curriculums, including IB and A-Level Biology. My passion for teaching biology has enabled my students to consistently achieve excellent results. I've helped students build a strong foundation in biology, allowing them to progress in their academic and professional careers successfully.
