## Qualifications

**Lund University:** MSc in Physics (2002–2004)

**Stockholm University:** BSc in Applied Physics (1998–2002)

## Vetted Tutor

# Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 19 years, I've guided students through various international curriculums, including IB, IGCSE, and A-Level. My expertise spans both Physics and Mathematics, and I enjoy helping students build confidence and master the fundamental concepts required for their exams and coursework.

I have worked with students from across Europe, providing tailored support in both group and one-on-one settings. Many of my students have gone on to achieve top grades and have pursued higher education in leading universities worldwide.
